Jeremy Grancher

Senior Front-End Developer

I am a freelance web developer specialised in front-end who loves to craft beautiful digital experiences using React and web standards.
I take special care for little details and code hygiene.

Professional Experience

06/23 - Now
Sydney

Web developer (freelance) @ Userkind

• Development of bespoke websites using Next.js and headless CMSs like Sanity or Builder.io, and headless storefronts for Shopify. Animations done with GSAP or Framer Motion, ie: morcofresh.com.au
